EC-JET1000Pro
Continuous Inkjet Printer

EC-JET1000Pro

Continuous Inkjet Printer

- Support fast maintenance transportation mode
- New ink system
- Ink separate from electronic system
- Unique three-door design with easy maintenance
- 8' touch screen

High Quality,Stable and Reliable Printhead

- Sealed design enabling easier cleaning and reducing nozzle failure
- Durable ruby nozzle with long core life expectancy
- Advanced VOD(Real Time Ink Viscosity Control System)ensuring clear and stable printing

Outstanding Printing and Powerful Functions

- Ultra high speed that is 50%faster than that of similar products, making it cost-effective
- Vertical and horizontal fine-tuning in informantion section width, character spacing segment,character position available,making operation more flexible
- Phonetic input and other input methods available

Innovative Design With Ink Separate From Electronic System

- Using industrial grade stainless steel cabinet that is anti-dust,easy to be cleaned and durable
- Unique three-door design with easy maintenance
- Comprehensive automatic fault diagnosis function
- Able to input information,upgrade software,operate and maintain through a USB device

Parameters

Print head type	MIDI(60u)
Message height	Support 25, 34 dots message height
Print line	3-4 lines
Max Message capability	2048 characters
Max print speed	2m/s(line speed)
Max printing characters	1482 characters per second
Cabinet dimensions(L*W*H)	325mmx290mmx528mm
Print head dimension	Φ42mmx188mm
Language support	Multi-language
Weight	18.3kg

Printing Function

- RFID function(Anti-improper ink and solvent filling system)
- Multi-password protection function
- Fixed and variable text,capital and normal characters
- Bold characters up to 9 times
- Print height,print width and print delay to be adjustable
- Automatic work shift,date and time format
- Flexible date and time formats,automatically date calculating function
- Real time clock function,with accuracy up to the seconds
- Graphics and message input by USB,parameter backup /restore/software upgrade function
- Batch coding and counting function
- Serial number with hexadecimal counting function
- Reverse printing function
- Timing function
- Phonetic input function
- Message/Graphics editing software(optional)
- Remote communication(optional)

Industries Application

Malaysia,Singapore,Vietnam,Thailand,India,Iran,Indonesia and Philippines,South Korea,Bangladesh

Excellent EC-JET,Intelligent Choice

● **New Ink System**
Low Consumption,More Environmental

● **Ink Separate With Electronic System**
Easy to Maintenance,More Safety

● **Three Doors Design With Easy Maintenance**
