

NOVA 6 COFFEE ROASTER

COMPANY BİOGRAPHY

Our company "Gulmak Machine" offers products and services in accordance with the highest quality standards. We maintain a high level of satisfaction for our customers, employees and suppliers. In this direction, our main goal is to be a company that is sensitive to the needs of society and the environment, which prefers reliability and affordability for those who choose Gulmak Machine.

Gulmak Machine manufactures and distributes coffee roasting machines, nut roasting machines, dragee chocolate coating machines and nut sugar caramelizing machines since 1990. We sell our machines all over the world, while constantly developing and following new trends in the production of equipment for coffee and nuts.
